

Senior Mix

Our Senior Mix is aimed at providing a range of nutrients of particular benefit to mature dogs.

See overleaf for more information

Whats in our mix ?

Wild Game

Venison provides high quality muscle meat.

Chicken

A great way to get a bit more bone for calcium, & insoluble fibre in the diet plus as a white meat, it adds another good protein source.

Green Lipped Mussel Powder

Green Lipped Mussel has natural anti-inflammatory properties and promotes joint health and mobility and is a natural source of Omega 3.

Green Tripe

A nutritional powerhouse, excellent for general well being and gut health.

Wild Venison Bone Broth

Made from the leg & pelvis bones of wild deer, bone broth is a fantastic addition to your dogs diet, bones are the storehouse of minerals in the body, plus collagen and other nutrients from connective tissue support joint & gut health.

Eggs

Eggs are a good source of Vitamin A, Riboflavin, Folate, Vitamin B12, Iron, Selenium & Fatty Acids.

Pumpkin

Cooked pumpkin is added for soluble fibre to help with digestive health & elimination.

Organs

We have included an appropriate amount of heart, liver, lung and kidney for additional nutrients to make the mix as complete as possible.
